OUR NEW HIGH SCHOOL

The ground-breaking ceremony for the classroom section of the new \$400,000 Tecumseh High School Building took place on Friday afternoon, December 3, 1948. Mr. W. L. Berkhof, former Superintendent of Schools, turned the first shovel full of dirt. On that occasion Mr. Ray W. Herrick, President, Tecumseh Products Company, presented to Mr. Jens K. Touborg, President of the Board of Education, a check for \$50,000, one half of the \$100,000 gift pledged by himself and the Company. Mr. Touborg also presented to Mr. P. C. Satterthwaite, Treasurer of the Board of Education, a check for \$22,500, one half of a \$45,000 gift to the district by Mr. Touborg, and his associates, F. K. Smith and C. M. Brown.

The work of construction proceeded according to plan. School actually opened on Tuesday, January 3, 1950, thirteen months later, in the beautiful modern school building for students from grades 7 through 12.

More than 1,100 citizens of Tecumseh and friends from nearby towns visited the colorful new edifice on January 12, 1950, where the Parent-Teachers' Association, under the direction of Mrs. Ray Sluyter, President, sponsored an Open House.

As the 1950 issue of the SENIOR ECHOES goes to press, Earl H. Place, Superintendent of Schools, and the members of the Board of Education are planning the program for the formal dedication of the building to be held on Thursday, April 13, as a part of Tecumseh Achievement Day, which is being sponsored by the Chamber of Commerce, Ronald E. Harris, Secretary.

VALEDICTORY

DAVID GREEN

This is the night of our graduation—a night we shall long remember, not only because it is the ending of our high school careers, but far more important, because it is the beginning of our careers in life. For we are now embarking upon the job of living. Our class has the unique honor of being the class of the mid-century. It is fitting also that at this time the world is ending one era and beginning another, either of cold wars or co-operation, an era either of privation or plenty.

These are trying times in the world. The post-war world has not turned out to be the dream world which we had believed it would be. In fact, the feeling of insecurity and unrest has been multiplied and amplified. The cold war with Russia, the fight against Communism, the fear of the H-bomb and the threatening specter of world annihilation have all contributed to a civilization which today hardly dares to look itself in the eye. Yet into this world every one of us must go.

Now is the time when the buoyant exuberance and optimism which is youth's can be used. During the past twelve years we have learned many things, not only the multiplication tables and dates of important events in history, but we have also learned the value of friendship and co-operation, the importance of self-sacrifice and understanding, the elation of victory, the depression of defeat; in short, we have been prepared for life. Now we have a tremendous chance to exercise our own initiative and forethought, a tremendous chance to prove the true value of our education, and thus in part repay the debt which we owe to those who have helped us through these past years. Let not conditions in the world be excuses whereby we may fail, but rather challenges for us to succeed, for we must remember that we are the only hope of a war weary world. We must remember that "In Ourselves the Future Lies."

SALUTATORY

FLORENCE TILTON

We, the class of 1950, are very happy to welcome you, our parents, teachers, and friends, to our Commencement exercises tonight.

We realize that this occasion was made possible only through the love and sacrifices of our parents, the help and guidance of our teachers, and the co-operation and generosity of our friends. We are deeply grateful for the interest which you have taken in us throughout the past years.

We have met with difficulties and problems during our school life and have overcome them with your help and guidance. In the future we shall have to overcome these difficulties and solve these problems by ourselves. The experience gained in these past four years at Tecumseh High School should aid us in facing our problems. For some of us, this graduation will end our period of formal education, while others, of course, will go on to higher fields of education to further prepare themselves for the tasks of the future.

Our responsibilities are great. The future of our country is entrusted to our care. We hope that we shall be given the power to plan and act wisely, and to think clearly and intelligently, in order that we may help in the building of a better civilization and a greater country.

Our future accomplishments are limited only by our own abilities and ambitions. Wonderful opportunities lie ahead of us in the fields of business, science, education, music, and art. To be successful in any one of these fields, we shall have to seek and work for opportunity instead of waiting for opportunity to come to us. No matter what field of work we choose, we shall undoubtedly encounter many obstacles while climbing the road to success. We must overcome these obstacles through determination, effort, and faith.

And now to you who have made this occasion possible, we wish to offer again our heartfelt thanks and a sincere welcome.

PRESIDENT'S ADDRESS

DAVID LOTT

Fellow Classmates and Friends:

We, as Seniors of Tecumseh High School, are rapidly coming to the long-awaited end of our high school career. For many of us, this week writes the concluding chapter of the book called "Education", though for others it is but an introduction to bigger and better things in the future. We shall divide this book, "Education", into twelve long chapters, each packed with its own star-studded events. We think, as we thumb back through the pages of this book, of the many points of interest: our first days in grade school, the jump from the grades into Junior High, our first big date, the dances, parties, and good times of the years now past. In some of our hearts there is a feeling of regret that this long struggle to the top, with its good times, is finished, but as we stop to consider, this feeling of regret turns to one of relief, and our enthusiasm for the future is soon renewed.

I would like to take this opportunity to thank you, the members of the class of 1950, for the honor of being your President. It has been a privilege and a pleasure to work with you throughout the year. Co-operation and loyalty are the two main factors that determine whether a class operates successfully or not. Our class, if measured by these terms, has reached a peak seldom equaled in the world today.

In conclusion, may I wish each and every one of you the full measure of success to which you are entitled.

CLASS HISTORY

Mary Glancy—Gerald VanValkenburg

For four years our tribe has made its way along the path, working and training to prepare ourselves for the future. When starting out, the trail seemed a long tiresome journey, but now it seems all too short.

In September 1946, a new group of fifty-nine papooses started out on the journey by choosing as Chief of our tribe, Gerald VanValkenburg. His assistants were: Vice President, Charles Goodacre; Secretary, Jennie Bird; Treasurer, Jerry Judd. We chose Marlys Arnold and Douglas McDowell to represent us at the council meetings. We selected Mr. Mead as our adviser, and Mr. Crisp and Mrs. Dickinson were our counselors. The warriors of our class had their chance to date an Indian maiden for their first big pow-wow, the Christmas Dance. During Sponge Week the squaws had their chance to get the braves. By the end of the year, we had made it part way down the trail, so we struck off the beaten path for a picnic at Wamplers Lake, to celebrate.

During our Sophomore year we elected our bravest of braves, Jerry Judd, as President of our class. For Vice President we chose Dick Case; for Secretary, Joan Buehrer; Treasurer, Marlys Arnold. Jo Ann Johnston and David Lott were our representatives at council meetings, and Marian Comfort and Bill Morris were our Red Cross Counselors. Mrs. Service was our chief guide, and Mr. Crisp, our counselor. The carnival which was given this year was the first one in which we had had a part, and although we didn't gain much "wampum," everyone had a terrific time, especially with the "live duck concession." Our candidates for King and Queen of the carnival were Shirley Teske and Doug McDowell. We had an inside view of the feast which we would be attending the next year by serving at the Junior-Senior reception. Our class picnic was again held at the lake, with everyone enjoying swimming and roller skating.

In the fall of 1948 our tribe strolled back to school with three warriors less than the year before. This year as our Chief War-Whooper we chose a squaw, Marlys Arnold. Jerry Bowen, Vice President; Jo Ann Johnston, Secretary; and Gerald Van Valkenburg, as Chief of "Wampum"; assisted Marlys. Our council representatives were Joan Buehrer and John Ladd. Mr. Duvall, a brave warrior, advised us, and Mrs. Service counseled us. To start the year off, we outcampaigned the Seniors to have David Green elected president of Student Council. We outsold the Seniors on magazine sales, winning a \$10.00 bet. Our squaws and braves put on a heap good play,

"A Date With Judy." Then—oh, so proud—we received our class rings. We gave the Seniors a feast to remember at the Junior-Senior Reception. The theme of the decorations was the '49ers and the Old West. This year we adjourned with the usual picnic at Wamplers Lake.

As supreme rulers of the T.H.S. tribes, we started the last mile of the trail by electing David Lott as our Chief, Jerry Judd as Vice President, Marlys Arnold as Secretary, and Sherry Fielder as Treasurer. Gerald Van Valkenburg, Jerry Bowen, and Gordon Keyser represented us at council meetings. Again David Green was elected as President of Student Council, but this time with no opposition! Mrs. Service and Mr. Furbush guided us over the rough spots of our last mile, and the entire Senior class is grateful to them for their time and efforts.

This year our tribe presented another wonderful play, "Love Is Too Much Trouble." We increased our "wampum" by having numerous bake sales, selling refreshments at the games, and selling magazine subscriptions, booster plates, and stationery. Everyone enjoyed the Christmas Dance in the gym, which was decorated with colorful snowflakes, trimmed trees, and evergreen boughs. A "night of mystery," featuring James Reneaux, was sponsored by our class. The school carnival was a great success, especially the Senior concessions. As a last resort to earn money for a trip, we sponsored the Sponge Dance.

Finally, on April 23, we boarded an "old iron horse" and steamed to Washington, D.C., where we visited many of the famous landmarks. It was the first time a Senior class in Tecumseh High School had ever gone to Washington. After four days of fun and sight-seeing, we returned home, much in need of rest. It was a wonderful trip, and we shall never forget it. Upon recuperating from the trip, we were entertained by a memorable reception. Although Juniors and Seniors are known to be rivals, (in fun, of course) everyone had a most enjoyable evening. The May Dance was the last social event of our Senior Year. We began realizing then that graduation was coming up fast and that we would soon be separated from many of our classmates and friends.

Tonight we are happy and having fun. Baccalaureate is past, and Commencement will soon be here; we have a tinge of sadness at the thought of leaving our friends, but we are proud to be the first Senior class to graduate from the new high school.

CLASS SONG

(Tune: Beautiful Dreamer)

NORMA AND MARIAN COMFORT

*Years now are passed, and class days are o'er.
Memories so dear we recall once more.
Tecumseh High School, our guide the years through,
We now pay tribute and honor to you.
Grateful we are to teachers and friends,
Patiently helping us day by day.
The Class of "50", now on its way,
Loyal we'll be to the yellow and gray.
Parties and games and plays were all fun,
Adding much pleasure to school work well done.
We will remember "eighth hours", too.
Tecumseh High School, we'll always be true!
Our goal is won, and now we must part,
Ready for service, gladly we'll start.
The Class of "50", up and arise,
Rememb'ring always the motto we prize:
"Within Ourselves the Future Lies."*

CLASS POEM

Marilyn Lindsley

*Many things have been written of Commencement
And all the things that it stands for—
How all the young graduates are supposed to feel
Standing on the so-called "threshold of life."
You're told just what you're supposed to say,
How to act, and what your thoughts are to be.
You're a little contemptuous of ideas like that.
"Rubbish! I'll think what I please!"
You're supposed to be starry-eyed as you think of the future
And hold your breath in rapture at the thought of deeds before you.
You ask yourself why?
Other people are out on their own, and they think it's nothing special—
Must we follow the old beaten track?
All through your years of high school you think about this,
But, just the same, you scarcely can wait till it's your time to go.
Finally the moment arrives, and, when you take time to stop and think about it,
It DOES give you a funny sort of feeling.
You look around the school, and suddenly you realize,
"Next year I won't be here—next year they'll go on as if I hadn't ever been here!"
And you think about it some more—
And at last you see that all the things you thought were so foolish
Aren't foolish at all—they're all true!
Commencement isn't just a time to parade around in a cap and gown
And see how all your friends look in theirs,
It has a deeper meaning—it's something more important—
This is YOU standing here—you're on your own!
You'll make your own decisions now,
And, right or wrong, you'll have to stick by them—
No more leaning on your parents.
Now, confident you can hold your own, you step out into the world.
Truly, "In yourself the future lies."*

FOOTBALL

The 1948 Tecumseh High football campaign got under way with four returning lettermen. The first game of the new season was a practice game with Ida, and the Indians submerged their opponents with a hard-fought 7-6 victory. In the first league game, the Indians looked plenty sharp with a convincing 19-0 win over Pittsford. The following Friday found the Indians at Morenci, against the number one class C team in the State. The Bulldogs showed why they were so highly rated, with a devastating 56-0 win over the Tecumseh lads. Still smarting from the Morenci drubbing, the "Tecumsehites" were upset by their arch-rival, Clinton, to the tune of 25-6. Due to lack of lighting, the next Friday afternoon found the Indians at Addison for an afternoon league game. Playing in near 100° temperature, the war yells of the Indians finally subdued the Panthers in a hard-fought contest, 7-0. The Hudson Tigers invaded the Tecumseh home grounds the following Friday and were sent home in silence by a 13-7 Tecumseh victory. Petersburg was next, and Coach Duvall's squad quickly scored 20 points in the first half, and that constituted the evening's scoring. Non-league Bedford dropped in next, and this strong team was upset by the Indians, 12-8, in another bruising battle. The last game of the season found third place Tecumseh at "winless" Blissfield. The Beetmen offered little resistance, and although two Indian touchdowns were called back, we downed the Sugarboys, 25-0.

The Following Seniors Received

Varsity Letters:

- DOUG McDOWELL—A sure-fingered end who excelled both on defense and offense. Doug was rewarded with a second team all-county berth for his fine playing.
- JERRY JUDD—Outstanding both on offense and defense for the Indians at guard.
- RONNIE HENKEL—A fancy-stepping halfback, Ronnie was especially good at circling the ends and snagging passes.
- CHUCK GOODACRE—A right tackle, who won a second team all-county position for his fine play.
- DON WITHROW—A left tackle. Don turned in some fine games for the Indians this year.
- GERALD VAN VALKENBURG—A very good defensive end. Gerald played many good games.
- JERRY HENRY—A utility back who saw plenty of fast action this year.

Other Varsity Letters Were Awarded to:

- DAVE VAN WINKLE—A triple-threat halfback. Dave's fine play earned him an all-county first team position.
- OWEN CAMPBELL—A center who gave some top-notch performances this year, both on offense and defense.
- RAY JACKSON—A player who turned in some good performances for the Indians at his left guard position. Ray did a fine job.

DICK WHELAN—An outstanding fullback, Dick was a powerful runner and a hard-hitting line backer.

NORM KARSTEN—A right end, who caught some timely passes.

DICK BEASLEY—Regular quarterback for the Indians until a leg injury sidelined him early in the season.

JERRY EGGLESTON—As utility lineman, Jerry played a fine brand of ball when called upon.

LARRY HART—Larry played good ball at center until he suffered a broken wrist in the Morenci game.

BOB MARSH—A bruising, hard-charging tackle, Bob was especially good on defense.

JIM SLOAN—A big tackle, always on the alert for opposing backfield men.

JIM BREITENWISCHER—Jim took over the quarter-backing slot after Beasley's injury, and guided the team to a successful season.

DON BAILEY—Known to his teammates as the "galloping ghost," Don played fine ball as tackle.

Basketball

When the 1949-50 basketball season rolled around, Coach Duvall discovered that he had six remaining lettermen for the team. The Indians made a strong bid for the L.C.A.A. crown, but they were unsuccessful, as Blissfield nosed the team out by two games.

To open the season, the Indians traveled to Pittsford on December 2. In this game they jumped into an early lead which they never yielded, as Pittsford bowed, 51-44.

On December 9, the Indians took on Addison and came out on top, 29-19. The following Friday Tecumseh took Petersburg in stride, 43-31.

On December 16 Tecumseh traveled to Morenci for the last game before Christmas vacation. The Indians never got going, and as a result bowed, 31-20, for the first defeat of the season.

After a short rest, the Indians returned to action and got up enough steam to down Clinton, 38-31, in a fast moving game.

The next game was on a Friday, Friday the 13th to be exact. It proved to be bad luck for Hudson, though, as Tecumseh made the most thrilling comeback of the year by overcoming a twelve-point lead to beat the Tigers, 42-39.

On the following Tuesday the Indians were nosed out in the last few minutes by undefeated Blissfield.

On the last lap of the schedule, the Indians took Pittsford and Addison in stride, 52-21 and 41-35, respectively. These two games led up to Tecumseh's highest score of the year, as the Indians downed Summerville at Petersburg, 60-41.

On the following Tuesday, Clinton took Tecumseh, 50-38, for the Indians' worst defeat of the year.

Friday of the same week, the Indians meet Morenci and again came out on the wrong end of the score, 31-28.

By the time the next week came around, the Indians had settled down, and they whipped Hudson, 43-34.

For the final game of the regular season, Tecumseh invaded Blissfield, and came home with a 38-34 win over the county champions—a remarkable feat on Blissfield's floor.

In the district playoffs, on March 2, 3 and 4, the Indians drew a first round bye. On the first night Blissfield defeated Onsted, and so they were all set to take on Tecumseh Friday evening. The Indians met the Sugarboys and came out on the same end of the score as they had one week before, by winning, 35-30.

Tecumseh met a hard fighting quintet from Hudson on Saturday, going down to defeat before the Tigers, 39-30.

Coach Duvall pulled his team up from the fourth place

BASKETBALL

of a year ago into a tie with Morenci for second place. The team finished up with a record of ten wins and four losses.

The members of the squad that received Varsity letters are as follows: David Green, Lee Phibbs, Jerry Bowen, Gerald Van Valkenburg, Doug McDowell, David Van Winkle, Owen Campbell, Dick Whelan, Jim Sloan, and David Ousterhout. The last five named will be returning next year.

One Tecumseh player, Doug McDowell, was placed on the all-county first team. The Indian forward, second high scorer in the county with 200 points, was chosen on every ballot and received a total of 16 votes. No one from Tecumseh placed on the second team.

The following boys received Reserve letters: Jerry Henry, Tom Hamilton, Gerald Aebersold, Jim Wilson, John Sisson, Jim Bheitenwischer, Tom Naser, Kirk Smith, George Ruhl, Wayne Patton, Larry Hart, Bob Marsh, Robert Binns, and Robert Schuch.

TRACK

With fairly good weather, the 1949 track team got off to an early start. This was Coach Brazee's first year as track coach, and he did very well, considering that he had only one returning letterman, Franklin Rumler.

On April 21 Tecumseh opened the season with a triangular meet with Blissfield and Clinton at the Island in Adrian. Tecumseh came out on the low end of the score, with Blissfield scoring 71 points, Clinton 37, and Tecumseh 27.

Following this experience, Tecumseh travelled to Addison on April 28. The Indians edged out the Panthers, 51 to 44.

On the evening of May 4, the Indians entered the invitational medley relay at Island Park. Tecumseh placed third among eight other schools, Blissfield and Morenci nosing us out. Jack Gillen, Don Van Camp, Lee Phibbs and Doug McDowell made up the team.

On May 7 the team went to an invitational meet at Albion. Only two boys were able to place. Lee Phibbs took fourth in the 100 yard dash and Doug McDowell fourth in the 220.

The L.C.A.A. Meet came next. The Sugarboys, with 68 points, and the Bulldogs, with 50 points, bettered the Indians' 38 points.

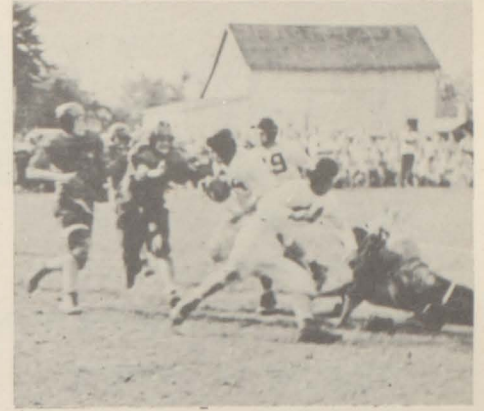

Pittsford was fourth with 31 points, and Clinton fifth with 17½ points. Jack Gillin was high point man for Tecumseh with 8 points, and Frank Rumler second with 5 points. Jack Gillin also took first in broad jump and Frank Rumler did the same in the pole vault. Seconds, thirds, and fourths picked up the remaining points.

May 21 took the Indians to the Regionals at Ypsilanti. No one was able to qualify for the State Meet.

On May 25 the Indians ended the season in good fashion by whipping Clinton, 65 to 39. The meet was held on the Adrian College field.

This is the last season for lettermen Jack Gillin, Don Van Camp and Frank Rumler. The nine returning lettermen will be Lee Phibbs, Jim Sloan, Richard Muhn, Don Withrow, Jack Colson, Tommy Rohweder, Don Anderson, Jerry O'Brien, and Doug McDowell. Richard Haight, Gerald Aebersold, Jerry Eggleston, and Bob Marsh will also be a big help next season.

Jack Gillin, Don Van Camp, and Lee Phibbs were high for the season, with 30, 29¼, and 28½ points respectively.

STUDENT COUNCIL

One of the more important activities of this year's Student Council was their attendance at the annual Michigan High School Conference on Citizenship, which was held in Ann Arbor on Dec. 9, 1949. Our Council president, David Green, was a leader in one of the many groups discussing different topics pertaining to high school citizenship. About two weeks later, delegates attended a meeting of a Planning Committee for next year's conference.

On Nov. 8, 1949, Student Councils from several schools attended a Lenawee County meeting held at our Tecumseh High School. The object of this get-together was an exchange of ideas on student government by the various councils. Discussion groups covering many topics were arranged and proved to be very interesting.

This year on March 10, our Student Council sponsored a biennial Carnival in which concessions were built and operated by the various high school classes and organizations. The Carnival provided a night of fun and also served its primary purpose of adding money to each class treasury.

In October, a Homecoming Dance was also co-sponsored by the Council, as well as the usual Christmas and May dances.

DEBATE

STANDING: Beverly Hay, Gretta Porter, Sally Rentschler, Merlyn Wagner, Nancy Kinietz.
SITTING: Marilyn Lindsley, David Green, Mr. Furbush, William Morris, Tom Everlove.

DEBATE

The debate season—1949-50—proved to be an exciting one, both from the standpoint of the question which was argued, and from the standpoint of our team's success among the 250-odd schools entering the competition last fall. The topic was: "Resolved, that the President of the United States should be elected by the direct popular vote of the people." The team's success may be measured by the fact that, of the above number of schools entering the debate season last fall, Tecumseh was one of the eight remaining in the running this February.

The lower peninsula is divided into eight districts. Any school who had won five of their eight debates could enter their district tournament. (Tecumseh won seven of the eight preliminaries.) Approximately 64 schools entered the eight district tournaments. Tecumseh won all three rounds, thus becoming the champion of this district. By doing so, the team won the Michigan High School Forensic Association District Honors in Debate awarded by the University of Michigan.

The debating teams this year were composed of three Seniors, one Junior and one Sophomore. The first Affirmative speaker was Thomas Everlove; the second Affirmative, William Morris. The first and second Negative speakers were Marilyn Lindsley and David Green, respectively, with Carl Freckelton acting as first Negative in one debate. Other members of the Debate squad were Beverly Hay, Gretta Porter, Sally Rentschler, Nancy Kinietz, and Merlyn Wagner.

The Tecumseh High School Band opened the season of 1949 by playing at the Michigan State and Lenawee County Fairs. The band attended other events, such as football games, Hallowe'en and Christmas parades, and the District Band Festival in Jackson.

On February 18, 1950, several soloists, members of our organization, participated in the solo and ensemble festival held at Adrian.

The outstanding event of the season was the Michigan-Indiana football game on November 12, with twenty-nine high school bands participating. During the half, all the bands (approximately two thousand musicians) entered the field, and, in honor of Philip Sousa's birthday, formed the word "Sousa," with Tecumseh forming part of the letter "O". It was a thrilling spectacle. The massed bands then played three of the great band leader's famous marches.

SYNOPSIS: Joe Burke is constantly getting into trouble, and it's up to Pinky Hamilton to get him out. Joe is restricted from the Senior Prom; Pinky's efforts to get the restriction lifted make everything worse, and some hilarious situations occur. They get into more and more trouble, until half the college is expelled. MAY PARTY

On May 20, 1949, in the same setting as the Junior-Senior Reception, our annual May Dance was held. As the couples swayed to the strains of the Tecumseh Products Orchestra, the contrast of the girls' formals produced a pleasing spectacle. The Seniors were more subdued than usual, probably because they realized that this was the last dance they would attend as high school students.

JUNIOR-SENIOR RECEPTION

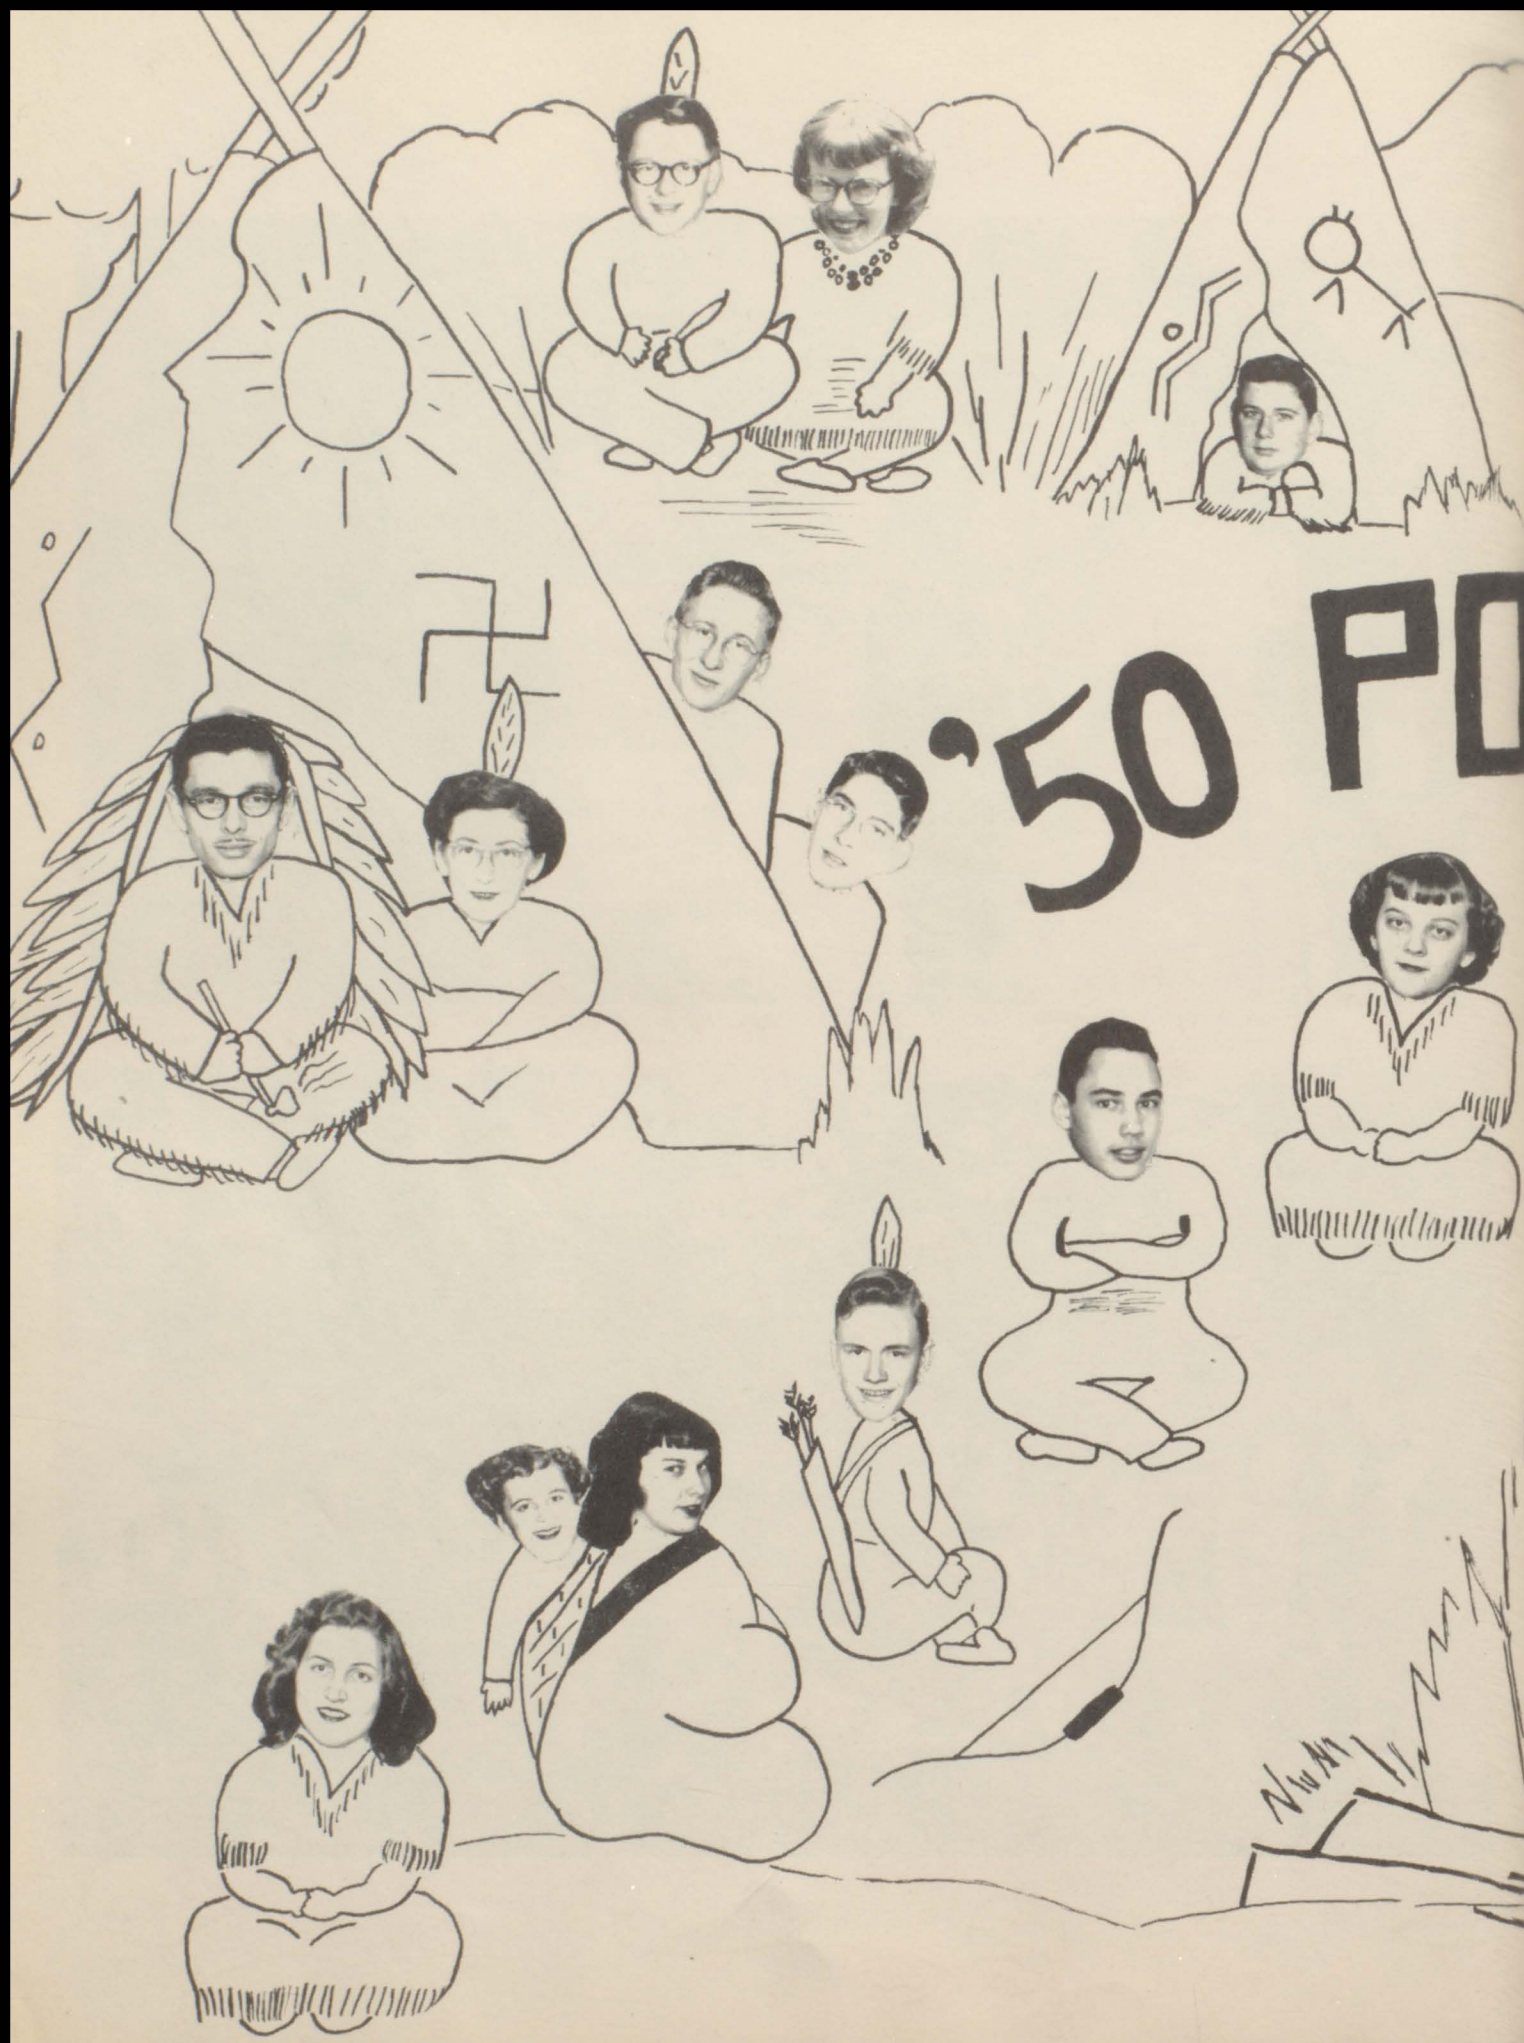

Along with spring, came the Junior-Senior Reception, given by the Class of '50 on May 13, 1949, in honor of the Seniors. In a setting of the Old West, we all spent an enjoyable evening, which included a very delicious dinner and a program. On all sides were typical Western scenes, and in one corner a jawbone and an old buggy added to the atmosphere. The menu also carried out the Western motif. After a three-course dinner, with music by Cynthia Spafford, the following program was presented:

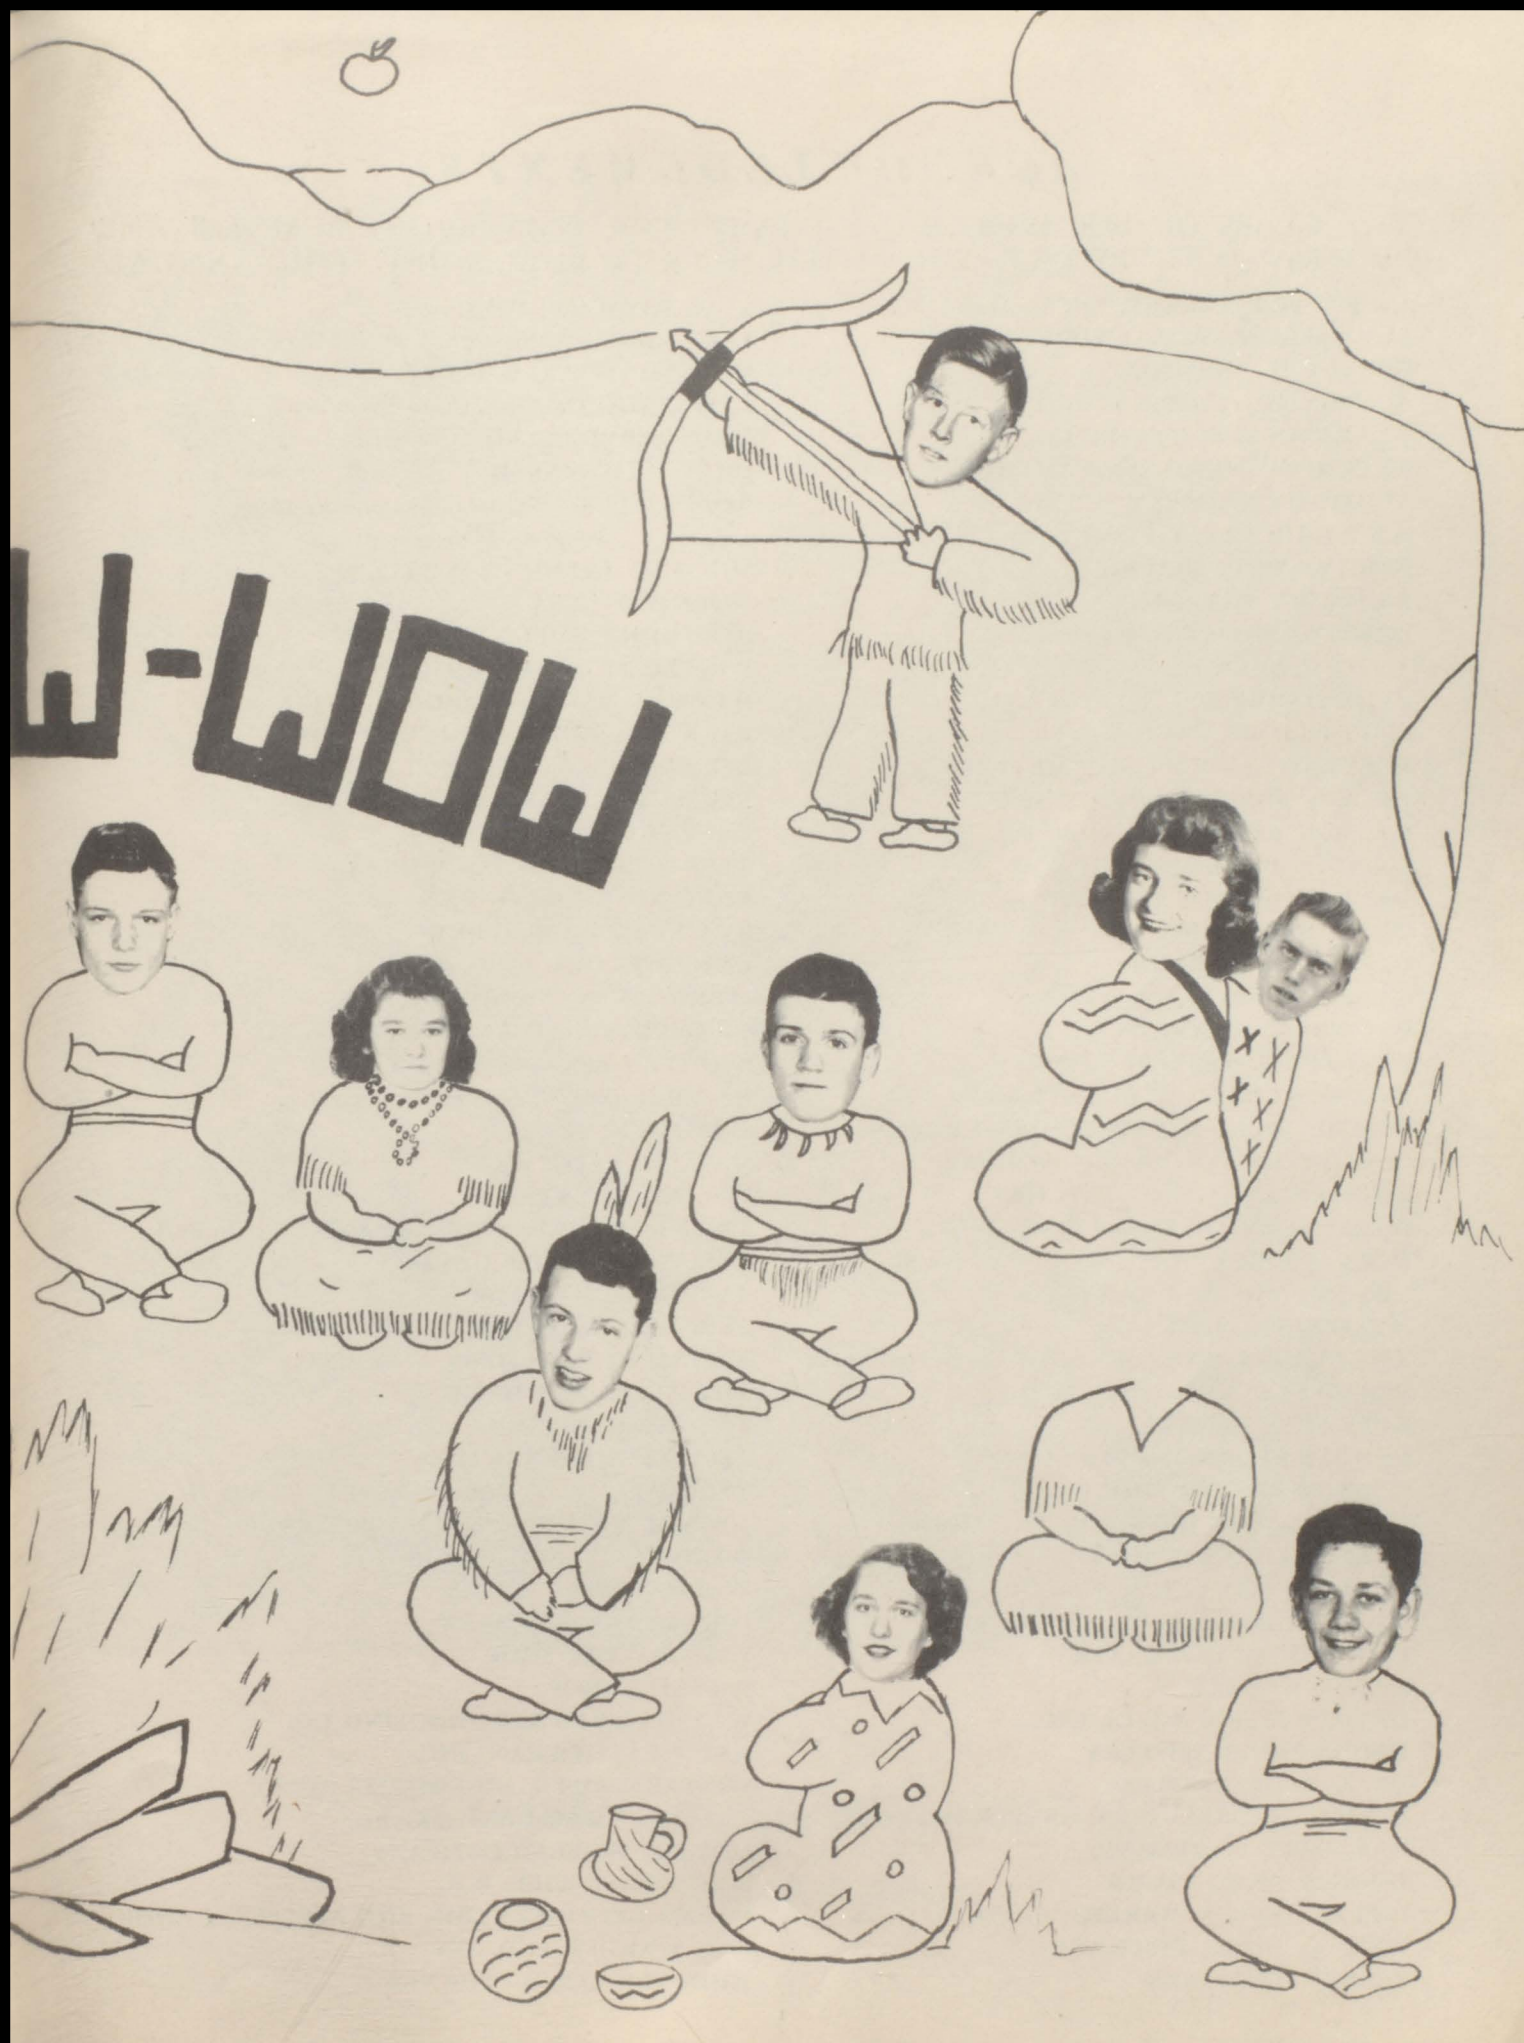

INVOCATION.....	Rev. Alvin Brazee

TOASTMASTER.....	David Lott

CHRISTMAS DANCE

The Christmas Dance, one of the two big dances of the year, was held on December 21, 1949. A huge Christmas tree in the center of the floor, decorated with brilliant lights, dominated the whole scene. Around the balcony were hung fragrant boughs of evergreen, and, forming a partial ceiling over the dancers, were many tinsel stars. The music, furnished by the Tecumseh Products Orchestra, was excellent. Since the party was strictly informal, corsages were banned this year, but, in spite of that restriction, everyone seemed to have a very enjoyable evening.
